American Sugar Beet Seed.

We are not placing any of our American Sugar Beet Seed stock on the market, as we have it all contracted in advance and we grow only for Factory orders.

NOTE—While we exercise the greatest care to have all seeds pure and reliable, we do not give any warranty, expressed or implied.

All contracts are subject to crop, as we are strictly growers and not merchants. F. O. B. California.

H. C. & J. B. AGNEW.
